"Your Safer Source for Science Supplies"

Material Safety Data Sheet (MSDS)

MSDS #: 186.00

Revision Date: November 25, 2002

Section 1 — Chemical Product and Company Identification

Cadmium Acetate

Flinn Scientific, Inc. P.O. Box 219 Batavia, IL 60510 (800) 452-1261

CHEMTREC Emergency Phone Number: (800) 424-9300

Section 2 — Composition, Information on Ingredients

Cadmium Acetate

CAS#: 5743-04-4

Section 3 — Hazards Identification

Colorless crystals; slight acetic acid odor.

Harmful if swallowed. Irritant to body tissue. A known carcinogen. Dust or fume inhalation especially toxic. When heated to decomposition, emits fumes of Cd.

FLINN AT-A-GLANCE

Health-3
Flammability-0
Reactivity-0
Exposure-3
Storage-1

0 is low hazard, 3 is high hazard

Section 4 — First Aid Measures

Call a physician, seek medical attention for further treatment, observation and support after first aid.

Inhalation: Remove to fresh air at once. If breathing has stopped give artificial respiration immediately.

Eye: Immediately flush with fresh water for 15 minutes.

External: Wash continuously with fresh water for 15 minutes.

Internal: Give large quantities of water. Induce vomiting. Call a physician or poison control at once.

Section 5 — Fire Fighting Measures

Non-combustible solid, may be flammable as powder or dust.

When heated to decomposition, emits fumes of Cd.

Fire Fighting Instructions: Use triclass, dry chemical fire extinguisher. Firefighters should wear PPE and SCBA with full facepiece operated in positive pressure mode.

NFPA CODE

None Established

Section 6 — Accidental Release Measures

Restrict unprotected personnel from area. Sweep up, place in sealed bag or container and dispose. Ventilate area and wash spill site after material pickup is complete. See Sections 8 and 13 for further information.

Section 7 — Handling and Storage

Flinn Suggested Chemical Storage Pattern: Inorganic #2. Store with acetates, halides, sulfates, sulfites, thiosulfates and phosphates. Store in a cool dry place. Store in a Flinn Saf-Stor can or Chem-Saf bag. Use and dispense in a hood.

Section 8 — Exposure Controls, Personal Protection

Avoid contact with eyes, skin and clothing. Wear chemical splash goggles, chemical-resistant gloves and chemical-resistant apron. Use exhaust ventilation to keep airborne concentrations low. Exposure guidelines for Cd: TWA 0.2 mg/m³.

Section 9 — Physical and Chemical Properties

Colorless crystals; slight acetic acid odor.
Solubility: Soluble in water and alcohols.
Formula: $(\text{CH}_3\text{COO})_2\text{Cd} \cdot 2\text{H}_2\text{O}$
Formula Weight: 266.54

Specific Gravity: 2.34
Melting Point: 256 C

Section 10 — Stability and Reactivity

Avoid contact with this substance as dust or a fume. Avoid contact with strong oxidizers, acids and bases. Reacts violently with potassium. Avoid this substance entirely in your school unless you expect to practice strict hygiene. Not for student use.
Shelf life: Indefinite.

Section 11 — Toxicological Information

Acute effects: N.A.
Chronic effects: Carcinogen
Target organs: N.A.

ORL-RAT LD50: N.A.
IHL-RAT LC50: N.A.
SKN-RBT LD50: N.A.

N.A. = Not available, not all health aspects of this substance have been fully investigated.

Section 12 — Ecological Information

Data not yet available.

Section 13 — Disposal Considerations

Please consult with state and local regulations.
Flinn Suggested Disposal Method #27f is one option.

Section 14 — Transport Information

Shipping Name: Cadmium compounds
Hazard Class: 6.1, Keep away from food
UN Number: UN2570

N/A = Not applicable

Section 15 — Regulatory Information

TSCA-listed, EINECS-listed (208-853-2), RCRA code D006.

Section 16 — Other Information

Consult your copy of the Flinn Scientific Catalog/Reference Manual for additional information about laboratory chemicals. This Material Safety Data Sheet (MSDS) is for guidance and is based upon information and tests believed to be reliable. Flinn Scientific Inc. makes no guarantee of the accuracy or completeness of the data and shall not be liable for any damages relating thereto. The data is offered solely for your consideration, investigation, and verification. Flinn Scientific Inc. assumes no legal responsibility for use or reliance upon this data.
